## How can **you** help?

**Giving your time is one of the most effective and rewarding ways to make a real change to the lives of disabled children across the UK.**

The life changing services we deliver across the UK are made possible with the support of thousands of volunteers, giving their time to enable disabled children to reach their full potential. We appreciate and value each of our volunteers and want to make your volunteering experience a rewarding and enjoyable one.

### **Dream Makers**

Experience the true magic of changing children's lives on Caudwell Children's Destination Dreams Programme. Volunteer for a week, supporting children fighting life threatening conditions and their families on a holiday of a lifetime to Florida.

### **Short Break Activities Volunteers**

Support disabled children to access fun and challenging leisure activities that promote independence and life skills while providing carers with vital respite. Volunteers can support inspirational group activities and 6 week programmes of accredited learning activities.

### **Family Support Volunteers**

A free and friendly service that offers flexible practical and emotional support to families at a time of crisis. Volunteers work with the Family Support Team to change the futures of families with disabled children. Volunteers need to undertake training and be able to commit to 2 hours per week for 6 weeks.

### **Hospital Volunteers**

Provide emergency support at birth, diagnosis or hospitalisation, providing practical help and information. Volunteers work with Caudwell Children in established hospital partnerships or work with us to achieve our goal of having services in hospitals across the UK.

### **Promotional Volunteers**

Inspire, inform and create interest in Caudwell Children. Promotional volunteers identify new promotional opportunities, undertake intriguing in-store demonstrations, they capture the public's curiosity, undertake speaking engagements and deliver activities that get communities involved with the Charity.

### **Gift of a Day**

A gift of just one day of your time could make children's dreams come true. Caudwell Children can provide opportunities for companies and groups of individuals to change a disabled child's life.

### **Local Ambassadors**

Our Local Ambassadors are passionate about the work of Caudwell Children in their local areas. They help us reach more children who desperately need our help. They build networks of local volunteers, attend or organise events, raise vital funds and promote awareness of the Charity across their community.
