Changing Children's Lives  
RCN 1019770  
SC 043874

Dear Supporter,

We are looking for people from all over the country to make a sponsored 10,000ft freefall parachute jump to help raise vital funds for disabled children across the UK. Everything you need is enclosed in this pack, including your registration form, making it as easy as possible for you to take part.

Caudwell Children is a national charity dedicated to transforming the lives of disabled children throughout the UK. We act as a safety net to families providing family support services, specialist equipment, pioneering therapies, ground-breaking treatment, supported holidays and short breaks.

In 2020 Caudwell Children are celebrating 20 years of changing children's lives. By taking part in this year's Skydive you have joined hundreds of likeminded people doing meaningful things in 2020 as part of our #Team20. Thank you for joining us.

All of the Charity's management and administration costs are covered by our founder, so every penny you raise goes directly to a child in your local community.

We ask you raise £395 in sponsorship money to jump for free. This means that the charity will receive a donation of at least £160. In addition to this, every extra pound that you raise will help us transform the lives of children so the more you raise the better.

Our work simply isn't possible without you. Good luck with raising your sponsorship and we look forward to hearing from you soon.

Yours sincerely,  
Caudwell Children Challenges Team

## IMPORTANT INFORMATION

Your jump and training are completed in one day – you can specify your preferred date to jump on your registration form.

You can choose where to jump from over 20 British Parachute Association approved centres (see the map at the back of this pack for locations).

You will be harnessed to an experienced parachute instructor at all times.

You will jump from at least 10,000ft – just like the professionals.

For Booking Terms and Conditions and Medical Restrictions, see the back of this pack.

### What must I do to qualify for a FREE jump?

To reserve your place, fill out the attached registration form and return with your £50 booking deposit to [challenges@caudwellchildren.com](mailto:challenges@caudwellchildren.com). Alternatively, post your completed form with booking deposit to Caudwell Children, Caudwell International Children's Centre, Innovation Way, Keele Science and Innovation Park, Newcastle-under-Lyme, Staffordshire, ST5 5NT.

Set up an online fundraising page via JustGiving or request some sponsorship forms to start raising your target of £395.

60% of your fundraising is due to the charity two weeks prior to your jump, with the remainder due 2 weeks after.

We understand fundraising can be daunting so we will be here to support you every step of the way to help you reach your target.

NOTE: We cannot start organising your jump for you until you send in your registration form and appropriate booking deposit – please do this as soon as possible so that we can secure the date of your choice and you can start preparing yourself for an experience of a lifetime!

# SKYDIVE REGISTRATION FORM

If you are jumping with others please tick here and attach a list of group members.   
Please note each individual jumper must have their own registration form.

Please complete this form (in BLOCK CAPITALS and black ink) and return via email to [challenges@caudwellchildren.com](mailto:challenges@caudwellchildren.com) or post to the address below as soon as possible. **Please also provide your £50 booking deposit**; either by cheque made payable to "Caudwell Children" or by providing your credit/debit card details (see below).

Occasionally Caudwell Children would like to send you information about the work of the charity. News updates, fundraising events and challenges.

By ticking this box I am consenting to receive future marketing information which could be received by phone, email or post.

# SKYDIVE TERMS & CONDITIONS

Please read all sections of this page carefully before signing the declaration. In order for you to recover reimbursement of the booking deposit and the cost of the training and the jump, you must raise the minimum sponsorship level as detailed in this pack.

The cost for the training and the jump will be paid by the charity on the day of training and this payment is non-refundable even if you do not jump for any reason.

Should the weather be unsuitable for jumping on the day it will be up to you to return to the parachute centre on another occasion(s) if necessary to complete your jump.

All booking deposits are completely non-refundable. However, the standard booking deposit is valid for twelve months from the date of booking and should you be unable to complete your jump due to inclement weather alternative arrangements will be made.

A fee of £50 will be charged for all cancellations or changes of jump date. This is in addition to the standard booking deposit and is not in any way deductible from any sponsorship money raised for a charity.

Caudwell Children, in consideration of the payment of the booking deposit, will take all reasonable steps to arrange your jump at your nearest available parachute centre but since parachuting is a very popular sport, we may be forced to offer you an alternative due to lack of availability at some centres. Skyline Promotions Ltd and Skydive Tilstock act as your agent in arranging for your jump and not as the agent for the parachute centre. Skyline Promotions Ltd and Skydive Tilstock use only those parachute centres which are affiliated to the British Parachute Association as the National Governing Body of the sport. Accordingly, no representations or warranties of any kind are made by Skyline Promotions Ltd or Skydive Tilstock as to the suitability, capability, quality of training or

operation of any parachute centre. Any queries or complaints with regards to these aspects should be referred to the parachute centre concerned.

## Medical Restrictions

For a tandem skydive you must be at least 16 years old and must weigh under 15 stone with your weight in proportion to your height. Please note some centres have lower weight limits – please contact us for details. The principal medical restrictions are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information. You will be required to sign a medical form before your jump declaring your fitness to take part – this will be sent to you upon receipt of your registration form but is also available on request. Those under the age of 18 will need the medical form signed by a parent or guardian; those aged 40 and over, or those with a medical condition, will need it signed by their doctor.

## Insurance

On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £2 million for liability to Third Parties. Please note that this does not cover you or your dependants for personal injury including death. You are therefore strongly recommended to take out your own insurance cover for personal accident benefits to whatever level you consider appropriate. If in any doubt you should seek independent advice.

## IMPORTANT NOTICE

Parachuting is an adventure sport and participation in such sports necessarily involves a risk of injury or death regardless of the standard of training, supervision and equipment employed. I voluntarily accept all the risks inherent in the sport and I agree for myself and my personal representatives to indemnify and hold harmless Skyline Promotions Ltd or Skydive Tilstock against any claim or claims whether on my own account or from third parties arising out of any accident or incident resulting in any loss or damage (including bodily injury and death).

## Caudwell Children transforms the lives of disabled children across the UK.

### Family Support

Giving families practical support and guidance at home, in hospital or on the phone at the point of diagnosis or during treatment.

### Equipment

Mobility, sensory and specialist sports equipment that children need to live fulfilled, happy and independent lives.

### Treatment

Providing funding access to vital treatments which could dramatically change or save a child's life.

### Therapy

Access to life changing therapy programmes for children with cerebral palsy, brain injuries & other associated conditions.

### Supported Holidays & Short Breaks

Teaching practical life skills through activity programmes, family trips and accredited courses.

### Autism Services

Providing practical and emotional support for autistic children and their families. An innovative new programme of multi-disciplinary assessment, practical support and research delivered from our purpose-built Caudwell International Children's Centre (CICC) at Keele University.
