

Would you like to help maintain the grounds of our charity's centre so that they look smart and welcoming for families of disabled children who visit to access support?

You could become one of our gardening volunteers!

What will you be doing?

- Carry out horticultural tasks for designated gardens to agreed maintenance standards.
- Weeding all areas of the grounds, including our sensory garden and walled Thank you garden
- General maintenance of all garden areas including pruning shrubs, digging and hoeing.
- Maintaining good access: Path maintenance, fallen leaves
- Comply with health and safety guidelines when using tools

What skills would be useful?

- Previous gardening experience
- Keen interest in gardening
- Willingness to help
- Energy
- Ability to work in a team
- Reliable

What's in it for you?

- Meet new people
- An opportunity to give back to your community
- Relevant training, mentoring and support will be provided
- Utilise your skills and learn new ones.
- Access to wellbeing support
- Out of pocket travel expenses can be reimbursed
- We strive to make reasonable adjustments and improve accessibility

How much time are you expected to give and when?

Our Gardening team are on site on Friday mornings. For the role to be mutually beneficial, we hope for volunteers to give 3 to 4 hours a week for 6 months. Volunteering is flexible

Where is the role located?

At our Caudwell Children Centre on Innovation way, Keele University Campus, ST5 5NT
Minimum age for this role: 16

To apply fill out our online application form on our website or if you have questions email **volunteer@caudwellchildren.com** or ring **0345 300 1348**
